

Next Century Growth Investors Featured in Pensions & Investments

The firm was praised for its top-ranked investment performance.

MINNEAPOLIS, April 5, 2022 (NewsWire.com) - Next Century Growth Investors, an independent money management firm located in Minneapolis, MN, was recently featured in Pensions & Investments, the international newspaper of money management. The firm was recognized for its exceptional investment performance over the past five years and was listed by investment research leader Morningstar as having the top domestic equity fund in Morningstar's separate account universe over the five-year period ending on Dec. 31, 2021.

"It feels great to be a part of this excellent investment team and deliver these strong long-term results to our clients," said Robert Scott, president, partner, and portfolio manager at Next Century Growth Investments.

Scott attributes much of the Next Century Growth Investors' success to its comprehensive research processes.

"These results reflect a lot of hard work, original research, and implementing a disciplined strategy which leads to good investment decisions over a sustained period. We are a seasoned team that is hitting our stride," said Scott.

According to Pension and Investments' Rob Kozlowski, the firm's microcap growth strategy achieved an annualized gross return of 43.18% during the five years ending 12/31/21. The team targets small, unique, and fast-growing companies in the healthcare, financial, industrial, consumer, and technology industries that they believe will be able to sustain high growth rates over extended periods of time.
